

About Danielle...

I am the Site Supervisor of the School Age Program at Blessed Beginnings. I maintain the School Age building, plan the curriculum for before/after school care and the summer program, transport the children to/from school, and care for every child's needs.

My family had owned an in-home child care business prior to me entering college. When I knew I would be in the Cedar Valley for school, Blessed Beginnings seemed like the right fit for me. Since I have been here, I feel more at hand with God.

I began working at Naz October 2008 with Blessed Beginnings as a part-time associate. In June 2013, I took the position as the Site Supervisor of the School Age Program.

I am without a doubt passionate about art. I love being creative and constructing new things. I like to spend majority of my time outdoors with my family and friends. I also like to watch movies, sew, bake, and be crafty.

One of my favorite verses is..."I can do all things through Christ who strengthens me." -
Philippians 4:13
