

About Mac...

I have been serving on the Nazareth Facilities Team since November 2010. I am primarily in charge of changing room setups, various cleaning and light maintenance, and making sure the building is properly locked and unlocked. I also assist at the Welcome Desk on Sunday mornings.

Reading while drinking good coffee is of my favorite things. My wife and I also like to go for walks or hanging out with friends when we aren't watching movies and catching up on our favorite shows.

One of my favorite verses is..."Be still and know that I am God." Psalm 46:10b
