

Jackie Moyer Director of Blessed Beginnings

In college I did a field experience at Blessed Beginnings in the infant room, and I came to work at Blessed Beginnings in May of 2001.

I manage and direct the staff at Blessed Beginnings. I make sure the children and families in our care are well taken care of. I make sure the bills are paid and accounts are managed.

I know that we are building a foundation for these young children. I want to make sure Blessed Beginnings is the best of the best in every aspect of the program.

In my spare time, I love to spend time with friends and family.

Favorite verse right now? "Jesus said, "Let the little children come to me, and do not hinder them, for the Kingdom of Heaven belongs to such as these." Matthew 19:14
