

Kate Bruns  
Assistant Director,  
Blessed Beginnings

I had always wanted to work in a child care setting and have spent countless hours with children of all ages. I began working at Blessed Beginnings in November 2013.

I get to be a part of the development of young children. I help the teachers and associates whenever necessary and I do office work.

I am passionate about my work. I love to see the children learning and exploring new things and I love to see the staff learn and grow.

In my spare time, I enjoy spending time with family and friends. I love being outdoors and reading.

And lean not on your own understanding;  
In all your ways acknowledge Him,  
And He shall direct[a] your paths.
