

This morning, we will observe the festival of "All Saints," which celebrates the baptized people of God, living and dead, who make up the body of Christ. With thanksgiving, we remember all the faithful departed, especially those most dear to us who have died. It is also a time to celebrate those living saints who have been welcomed through baptism into the community of the faithful this past year.

## NAZ Notes

**Read It!** Read and pray over Luke 6: 17-49 (the Sermon on the Plain). Consider what 'generous living' as a Christ-follower means as you ponder the following teachings of Jesus:

- Love and pray for your enemies
- Turn the other cheek
- Do onto others as you would have them do onto you
- Notice the log in your own eye rather than pick the speck out of a neighbor's eye
- Being the wise builder who hears and acts on Jesus' word

**Watch It!** Google "Lutheran World Relief Videos". View one or several videos that give testimony to the transforming power of Christian generosity in the lives of others. Especially note the video "How do Quilts and Kits from the US get to the places they are needed".

**Live It!** Take some time this week to do some fall house-cleaning. Go through your clothes, storage shed, or garage and gather together 20 to 30 items in a pile that you would be willing to give away to Goodwill Industries or the Habitat ReStore. Take a picture and share it to our Facebook, Instagram or Twitter pages. Imagine what impact it would have for the Cedar Valley and beyond if all the households of Nazareth participated!
