### Refurbished & Refreshed: The Organ is Back!

Last Sunday marked the return of Nazareth's Zimmer organ to our worship services. Over the past few weeks, a group of specialists performed routine maintenance, repair, and cleaning of the instrument. While the organ was disassembled, we took advantage of the opportunity to add some enhancements: reconfiguring stops and piston arrangements; installing a new digital combination action and memory system; and installing a new crescendo pedal. All this work was made possible by a music fund that has grown through the years. We are grateful that our organ is able to continue its prominent place in Nazareth's worship life.

### Come Ring Our Bells!

The Carillon Ringers, Nazareth's adult bell choir, has an immediate need for **two new bell ringers**. Some general music playing experience is required, but we are able to teach bell playing technique for anyone interested in this opportunity. Rehearsals are Wednesday evenings from 5:45-6:45 p.m. and we play approximately 3-4 times a semester, depending upon the ensemble's availability. Contact Nathaniel Parrish at [nathaniel.parrish@naz.org](mailto:nathaniel.parrish@naz.org) for more information. Please join us!

### Pray for Our Missionaries

Kent and Shelly Scott are Nazareth-sponsored missionaries who served in Bangladesh and Thailand from 1995-2010. They now live in Minneapolis, where Shelly works for World Mission Prayer League and Kent develops videos for Bengal Creative Media. They request prayers for the following concerns:

- That the Lord will send more workers into cross-cultural missions
- Prayers for Shelly: for wisdom to know how to answer and encourage the people who inquire at WMPL; for one or two more people to coach; for finances to cover Christian coaching training and testing so she can become a certified coach within the next year; for wisdom to balance effectively coaching candidates with her administrative and mentoring roles
