

# Sara Rockow Director of College-Age Ministry

As a college student, I was involved with BASIC, the college ministry of Nazareth and Orchard Hill Church. After graduation, God lead me back in September of 2014 to serving the students and with the staff that guided me during my own college years.

What do I do in this job? One-on-one meetings with students, leading small group bible studies, leading BASIC, our College-Age worship community on Thursday Nights at UNI, walking with our Student Ministry team, and connecting students within our congregation to one another!

I am passionate about students discovering more and more of who Jesus has made them to be, and having the opportunity to join in students' lives during their time in college.

I enjoy running, biking, hanging out with friend and family, gardening, and working on house projects!  
Also-- taking adventures and seeing new sites!

Favorite verse right now? 2 Corinthians 12:9: "My grace is sufficient for you, for my power is perfected in weakness."
